

Expository Counseling Center

A Proposal To: Churches

Biblical Counseling Training

Expository Counseling Center will provide five courses of training for the staff /members of your church.

Actual Training and Cost

Expository Counseling Center (ECC) is International Association of Biblical Counselors (IABC) approved Training Center. Additionally, ECC offers courses that are approved by Association of Certified Biblical Counselors (ACBC). ECC provides 5 basic courses of teaching. Each course is 14 weeks in length. These Courses are broken down into 7 weeks with a break in between in most cases. There is the option of also having a 6 week training for the ACBC exam that must be passed in order for one to move into ACBC certification.

The standard cost for tuition is \$175 per person per every 7 weeks and \$175 per person for the ACBC Exam Training.

Cost for Churches

However, ECC will offer all five courses at your church for a negotiated monthly fee until the completion of the five courses. This does not include the costs of any books that are required for the course. This does include making sure the church is up to date in the policies and procedures for biblical counselling and for being a training center to train others in biblical counselling.

Courses Offered

ECC will provide the five basic courses according to a format that best fits your church :

Theological Foundations For Biblical Counseling

Biblical Framework Counseling

Common Issues We Face In Life

Marriage and Family Basic Training Course

The Dynamics of Biblical Counseling

ACBC Test Preparation

Test Preparation for Association of Certified Biblical Counselors national exam is not part of the cost. If people are interested in preparing for that exam there is a \$25 per person per session cost. There are a total of six sessions to prepare people for the exam.
